How to Shop AmazonSmile on your Mobile

For a donation to be given, you must make your purchase through the AmazonSmile site. Purchases through the regular Amazon site and their mobile site will not give a donation.

Here is how to create an AmazonSmile app on your phone:

- 1 Go to **smile.amazon.com** in the web browser on your phone.
- 2 On an iPhone, tap the share button at the bottom middle of your screen. On an Android, tap the three dots in the upper right corner.
- 3 Then, click "Add to Home Screen." You have now created a shortcut to AmazonSmile on the homepage of your phone.
