A Letter from Mike

Another Great year at Grassroots. March marked our 21st year of service.

We are blessed to partner with so many volunteers, businesses, neighbors and non-profits this year. From our efforts in supporting neighbors and local schools to our efforts training more homeowners and supporting existing homeowners. We work together collaboratively to serve Waco.

We hope you see from our annual report that we truly believe that Community Leadership Development and Homeownership are the keys for Thriving Neighborhoods
